1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of Dominion Energy.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I strongly oppose the proposed rate increase. Costs of energy have come down over the past several years, however we never saw any benefit from that. Our rates continually go up. On top of that each customer owes more than \$5,000 toward the construction of the never to be finished nuclear plant that our state regulators were complicit in ripping off the customers along with SCE&G and allowed Dominion to purchase it without absorbing the debt.

SC used to be one of the top places in the nation to live for energy pricing. Now we are at the bottom. This is a sad reflection upon SC State government and this commission!

We are being ripped off!

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

No
